

## SPECIAL ORDERS + WEDDING MENU

CONTACT | [specialorders@sisterpie.com](mailto:specialorders@sisterpie.com)

Thank you for considering Sister Pie for your event!

On the next page, you will find our special orders and wedding menu. Once you are ready to proceed, our next step is to set up a contract with the details of your order, which will also give us your initial quote. Along with your contract, you will receive an electronic invoice for a 50% deposit to secure the date of your order. The remaining balance will be due one (1) week prior to the order date.

Due to the use of seasonal and local ingredients, our flavors can vary from week to week, based on what ingredients are available. This means we have a unique creative structure to work against, but also gives us the opportunity to work with regional farmers to support our local economy. We do our best to notify as much in advance as we can what kinds of flavors you can expect, and when there might be menu changes. Our pricing structure at Sister Pie is based on use of local and quality ingredients, the made-by-hand work of our employees, and our growth as a business.

Please note the following:

- Our ability to accept a special order is dependent on the baking capacity of our kitchen as well as pre-existing orders and holidays on our calendars.
- Delivery and set-up is subject to availability. Orders are also available for pick-up Monday-Saturday 10am-3pm.
- Due to the seasonal nature of our business, we will only be able to offer pie flavors that highlight ingredients/produce that are in-season in Michigan.
