

SPECIAL ORDERS + WEDDING MENU

CONTACT | specialorders@sisterpie.com

Thank you for considering Sister Pie for your event!

On the next page, you will find our special orders and wedding menu. Once you are ready to proceed, please let us know a more exact guest count and what type of baked goods you're interested in! From there, we'll build you an initial quote. Medium to Large orders (51 - 100+ guests) will be required to set up a contract for the order which will also necessitate a 50% deposit, with the remaining balance due one (1) week prior to the order date. Small orders (less than 50 guests) will need to be finalized at least 48 hours in advance, with the final balance being paid no later than one (1) day prior to the order date.

Due to the use of seasonal and local ingredients, our flavors can vary from week to week, based on what ingredients are available. This means we have a unique creative structure to work against, but also gives us the opportunity to work with regional farmers to support our local economy. We do our best to notify as much in advance as we can what kinds of flavors you can expect, and when there might be menu changes. Our pricing structure at Sister Pie is based on use of local and quality ingredients, the made-by-hand work of our employees, and our growth as a business.

Please note the following:

- Our ability to accept a special order is determined by our limited baking capacity, as well as pre-existing orders and holidays on our calendars.
- An order is not on our calendar until a contract has been signed and deposit received and/or a final balance has been paid.
- Delivery is subject to availability. Orders are also available for pick-up at the bakery Monday - Sunday 10:00am - 3:00pm.
- Due to the seasonal nature of our business, we will only be able to offer pie flavors that highlight ingredients/produce that are in-season in Michigan.
